Fotobok med svart-vita bilder samt texter på svenska och engelska av Staffan Jofjell, C-J Charpentier samt den tyske författaren och journalisten Egon Erwin Kisch (1885-1948). En bok med många intressebottnar: Den konstnärliga/fotografiska genom Staffan Jofjells bilder i svart/vitt. Den speciella tävlingsformen velodromcykling och den särpräglade miljö som vuxit fram runt den. Berlin, en delad stad. Berlinkännaren C-J Charpentier ger sammanhang till den moderna utvecklingen. Den gamla Berlinatmosfären förmedlad av den legendariske Egon Erwin Kisch. Innehåll: Berlin 1985, parallella världar delade av en mur som ingen trodde skulle falla. En stad som under 1900-talet vridit sig i historiens järngrepp genom krig och diktatur. 1925 skrev den Rasande Reportern Egon Erwin Kisch en text med titeln Den elliptiska trampkvarnen om velodromloppet på cykel, Sechstagerennen där han levande beskriver hur cyklisterna cyklar sträckor långa som Europas diagonaler utan att komma någonstans till synes omedvetna om livet utanför och tidens gång. Den texten var upprinnelsen till Staffan Jofjells fotograferande av loppet 1985. Bilder från loppet tillsammans med 1:a majfirande i Öst- och Västberlin och andra bilder från staden ger en stark tidsbild av Berlin några år innan muren faller 1989.

Described as an 'E ticket in the sky', the show features fireworks, lower level pyrotechnics, isopar flame effects, state-of-art projection mapping, lasers, searchlights, and.
