Berlitz reseguide är till ovärderlig hjälp på New York-resan. Den revideras fortlöpande och är därför alltid aktuell och pålitlig. New York-guiden innehåller en historisk översikt och vägledning till de viktigaste sevärdheterna som Empire State Building, Brooklyn Bridge, museer och mycket annat. Boken innehåller också tips om allt från shopping till färjeturer till Ellis Island. Texter om bland annat skyskrapor och Greenwich Villages bohemer ger en bredare bild av staden förr och nu. Dessutom finns det aktuella listor över ett antal bra hotell och restauranger, tips om sport- och kulturevenemang samt ett stort antal andra praktiska resetips. Guiderna är försedda med detaljerade kartor som underlättar hanterandet - du kan läsa samtidigt som du följer med på kartan.
